

DEPARTMENT OF TRANSPORTATION

Planning Director Up to \$100,077 Annually Rochester, MN

How would you like to manage and provide planning leadership to the Rochester District Planning Office by providing direction for the planning and programming of a coordinated and integrated multi-modal transportation system in support of MnDOT's Statewide Transportation Plan? At MnDOT we will provide you with a lot of variety but also stability allowing you freedom to prioritize your family life. Our work is interesting. This position's responsibilities include the following:

- Coordinate and develop district long range plans for highways, transit, aviation, rail, waterway, bike and pedestrian transportation systems.
- Relate District plans to planning efforts among various MnDOT offices, southeastern MN counties, cities, public citizen and private sector interests, to develop, coach, direct and supervise the District 6 planning staff.
- As a member of the Planning Management Group (PMG), provide leadership, management and direction to State and District Planning so that programs can be accomplished and constituent needs met.

WHY WORK FOR US

We offer excellent employee benefits, such as low-cost health and dental insurance, and affordable dependent coverage. Other benefits include:

- 11 paid holidays per year
- Up to 29 paid vacation days per year
- 13 paid sick days per year
- Defined pension plan
- Paid life insurance
- Short term disability available
- Training opportunities
- And more!

ABOUT MnDOT

We are driven to find talented, innovative employees for Minnesota's nationally recognized transportation system. We work to build the best team in the transportation industry to ensure that Minnesota thrives with a safe, sustainable and leading edge transportation system. You will be surrounded by a diverse community of experts, each driven by challenging work and motivated by the greater good. You will understand the impact of the work you are doing and be able to see the benefit you are providing to the citizens of Minnesota. You can set your sights high and use your strengths to grow within the organization. MnDOT offers superior health and retirement benefits as well as a solid commitment to work-life balance, which provides you the tools to thrive both at work and outside of work.

MINIMUM QUALIFICATIONS

A Bachelor's degree in Planning, Civil Engineering or a related field and:

1. Two years of professional supervisory experience; OR
2. Three years of project development/management experience; OR
3. Three years of advanced professional experience in transportation planning methods and practices involving statewide responsibility.

If you meet the above minimum qualifications and want to be considered further in the selection process, you must provide a summary of your experience in the areas below in a cover letter and attach it with your resume to the online application.

- Experience and leadership skills supervising or directing professional staff in transportation planning and program management.
- Written and oral communication skills to successfully interact and create strong relations with management, external stakeholders and MnDOT staff.
- Fiscal management experience with large complex budgets (e.g., State Road Construction).
- Knowledge of transportation engineering principles and the construction industry's standards, policies and programs.
- Experience leading public outreach efforts with multi-functional work groups in the development of district and state short and long range plans, including demonstrated ability to effectively engage the public in the planning process.
